## **Kinder Morgan Products Pipeline**

### **Double Eagle Product Specification Change**

To Double Eagle Shippers:

In accordance with Kinder Morgan's update to the Double Eagle Pipeline LLC Rules and Regulations Tariff, RCP No. 21, Double Eagle Product Quality has updated the following PQ forms.

- 5.1 Double Eagle Receipt Policy
- 5.3 Double Eagle General Grade Crude PQ Checklist

The updates made include a product name change to General Grade Crude and a new minimum API Gravity for Gen Grade of 38.0 at 60°F.

If you have questions regarding our policies or procedures, please contact Double Eagle Product Quality.

Allison R. Gonzales

Manager, Quality Control
